## REPUBLICAN PRIMARIES.

## The Results of Last Saturday's Election.

A primary election for delegates from Washoe county to the Republican State Convention, and for delegates to the Republican County Convention, was held last Saturday in the several precincts of the county. In Reno there were two tickets, one headed "Hurrah for Blaine" and the other "Citizens and Taxpayers." The former had R. H. Lindsay, S. C. Fogus, Thos. Eager and H. W. Higgins for delegates to the State Convention, and the latter had W. M. Boardman, H. W. Higgins, J. G. Laws and J. F. Alexander. The vote turned out Lindsay 172, Fogus 152, Eager 156, Boardman 96, Laws 90, Alexander 92, Higgins (on both tickets) 203. ## Death of Matt Canavan.

The many friends of Captain Matt Canavan were shocked on Sunday evening to hear of his sudden death in San Francisco, from an apopleptic stroke. It was only a few days since that he passed through Reno in apparent perfect health, and in his usual good spirits. Captain Canavan was widely known on the Pacific Coast more especially from his prominence as a Democratic politician. He came to San Francisco from Australia at an early day. In 1867-8 he represented that city in the California Assembly, and subsequently was the nominee of his party for Chief of Police but was defeated. In 1872 he came to Nevada and took an active part in behalf of the election of Senator Jones, and has been a citizen of this State ever since. In 1882 he was a candidate for Governor but was defeated in the Convention by Adams. In 1880 he was elected County Commissioner of Storey county, a position he held at the time of his death, and the only public office he held in the State. He was also Chairman of the Democratic County Committee of Storey county. He was a man of strong individuality and great force of character. As a politician he was eminently clear headed and shrewd, and was distinguished above all things for his never faltering fidelity to his friends. He was a big hearted generous man whose death will be mourned by countless friends.

## Knights of Pythias.

In a recent circular of Secretary Nelson of the Endowment Rank, it will be seen that the Supreme Chancellor has adopted the rules laid down by the A. O. U. W. of this jurisdiction, some three years ago, in regard to beneficiary certificates, viz.: that making said certificates payable to "myself," "order," "heirs," "will," and similar expressions, is not legal or sufficient, but that some person must be named. Said decision goes even further than the A. O. U. W., for the S. C. requires that the certificate must be made payable to some person or persons related to or dependent upon the maker. This latter requirement, as a rule, can and would be complied with, but there are cases where it could or would not be feasible or agreeable, and for which exception should and doubtless will be made. Some desiring to join, as well as some already in membership, have neither relatives nor dependents, and some who have relatives would object to making legacies in their favor. A modification of this law is, therefore, imperatively necessary.

## Off For Alaska.

Fred Sickles received a telegram yesterday morning from M. O. Hillyer, U. S. Marshal and ex-officio Surveyor General of Alaska, informing him of his appointment to the position of clerk in the Surveyor General's office, and directing him to report to the Palace Hotel at once so as to be ready to sail with the rest of the party on the 27th. Fred jumped about four feet into the air when he received the welcome news and could with difficulty hold himself level until the train came along last evening. Mr. Sickles is a very bright young man and thoroughly competent to perform the duties required of him.

The county boarders, under the direction of Mr. Douglas, were at work yesterday raising the stone crossing at Gallatin & Folsom's corner.

Mr. C. A. Lee, of Franktown, will probably be before the Washoe County Republican Convention as an aspirant for the short term Commisshiership.

Billy Caughlin's little boy is still very bad off. His eye seems to get no better, and his father may find it necessary to take him to California to consult an oculist.

J. S. Shoemaker and family have gone on a short camping trip to Dog Valley. Shoemaker is a delegate to the County Convention and candidates are informed that there is no telephone connection between Reno and Dog Valley.

While out riding Sunday afternoon one of the girls residing in Lincoln alley was thrown from the buggy and sustained a fracture of the leg. Drs. Hogan and Dawson were called and put the injured limb in proper shape.

It is said that the Central Pacific officials intend shortly to take off all but one of the ten-wheel locomotives now in use on the Truckee division between Truckee and Wadsworth. Big moguls will take the place of the smaller engines removed. The one ten-wheel locomotive retained will be run on a swing train from Truckee to Reno, and will do all the switching between here and that place, as the big engines do not take kindly to switching.

## Matt Canavan's Funeral.

The County Committee of Storey county held a meeting last evening for the purpose of adopting appropriate resolutions on the death of their late Chairman.

## Camp Meeting.
